

PERSONAL PROTECTION OVERVIEW

PERSONAL PROTECTION

Executive, Celebrity, & Political Candidate Protection Services

International personal protection and travel security

THE ARMA APPROACH

Public visibility, demanding schedules, and international travel each bring different security considerations. Arma builds personal protection around your exposure, priorities, and daily routines, with planning that supports your freedom of movement.

Our protective personnel support executives, celebrities, political candidates, and private clients across Canada and internationally. From advance preparation to secure arrivals, our focus is a calm, professional presence that protects safety, privacy, and reputation.

Protection planned around your lifestyle.

Discreet protection for executives, public figures, and private clients. Built around how you live, work, and travel.

HOW WE OPERATE

01

Understand your exposure

We discuss your routine, public profile, travel plans, and the level of discretion you need.

02

Build the protective plan

Personnel, transport, routes, and communication are coordinated around your schedule.

03

Adapt as you move

The approach is reviewed as locations, timings, and circumstances change.

OUR CAPABILITIES

Protection built around your risk.

Specialist protection for your personal and professional life.

Executive & Private Client Protection

Protection for executives, high-profile individuals, and private clients. Threat assessment, advance planning, and protective personnel form a coordinated security plan shaped around your profile, responsibilities, and lifestyle.

Secure transportation

Secure ground transportation supported by route planning and coordinated arrivals and departures. From daily commitments to public appearances, movements are planned around your schedule, destination, and security requirements.

Travel Security & Risk Management

Travel risk assessments and destination intelligence inform your protection before departure. We coordinate security requirements, ground movements, and support throughout the journey, adapting plans as conditions change.

International Security & Logistics

Local logistics and operational coordination for assignments abroad. Personnel, transportation, schedules, and communication are aligned with the protection plan to maintain continuity from arrival to departure.

Talent & Production Security

Personal protection for actors, talent, and production teams. Security arrangements account for public exposure, filming locations, appearances, and travel, protecting privacy while supporting the demands of the production.

Protective Teams & Operational Coordination

Protective personnel and operational support for individual assignments and ongoing security programs. Team responsibilities, communication, and deployment plans are established around the scope and risk of each assignment.

YOUR PROTECTION REQUIREMENTS

Speak with our team about your risk profile, priorities, and protection requirements.

SPEAK WITH OUR TEAM

Every protection plan starts with a conversation.

Tell us how you live, travel, and work. We'll help you understand the support that fits your circumstances.

Plan your protection.
